## Justice is done says charity as pair jailed

A CANNOCK charity that fell victim to a couple who sold on its cheap designer clothes for huge profits says justice has been done after the couple were jailed.

Hayley and Keith Horton ran a £1m fake designer clothes racket, while also buying cheap outfits from the Cannock-based Newlife and selling them for inflated prices.

The charity, which raises money for disabled children, sells genuine designer goods at bargain prices.

Stock is donated to the charity by the shops if they are deemed out of season or slightly damaged and have their labels cut.

### Imported

But the Hortons sewed in new labels to pass them off as if they had come straight from the factory. The pair also imported fake dresses from China and sold them on ebay as real.

Hayley Horton, aged 40, was handed a 27-month jail sentence, while her husband Keith, 46, was jailed for 21 months.

Newlife CEO Sheila Brown OBE said: "We are delighted to hear that justice has prevailed. It could have damaged a very profitable relationship and affected funding for many disabled children."

# TALKS OVER JOBS AT SUPERMARKET

by Marion Brennan

**COUNCIL bosses in Cannock are to begin talks with Tesco about recruitment for 300 jobs, created by the supermarket chain's new Hednesford store.**

Store chiefs will be leaned upon to give priority to the unemployed and the young. Discussions are due to start within the next week. Some 600 jobs in total will be created across the Hednesford Gateway development which will also see a parade of non-food shops established.

Glenn Watson, Cannock Chase council's economic development manager, said the authority would be asking Tesco about the form and timescale of its recruitment programme.

The store is due to be completed by the end of the year in time for a Christmas opening.

"Some of the job opportunities could well be attractive to young people and it is important to all of us that very serious consideration be given to this group," he told a meeting of Hednesford Community Forum.

Council leader George Adamson said Tesco had promised at the outset that most of the jobs would go to people from the Hednesford and Chasmoor areas.

Local agencies, such as JobCentre Plus, will be involved in the discussions. Mr Watson said the council also wanted to bring South Staffordshire College in on the negotiations.

"It is one of the things we agreed with Tesco some time ago, and it is their policy as a company to look to recruit people in those categories," he added.

### Flattened

The council will be monitoring the recruitment process and asking to see files as evidence that the policy was being followed.

Mr Watson said phase two of the scheme was progressing well with the ground now flattened and cleared for the supermarket which will be elevated to accommodate a car park beneath.

Victoria Street has been closed to allow the work to continue but is on schedule to re-open by the end of next month.

Talks were also taking place about the design and function of the new Aquarius Ballroom which will replace the original 60-year-old dance venue in Victoria Street that had to be bulldozed as part of the scheme.

"It will not be exclusively a ballroom but will have flexible uses," said Mr Watson.

"We're discussing with the developer what the floor and other features will look like, then talking to potential operators."

Bosses have invested six-figure sums on digital printers and technology which allows customers to upload artwork and make orders online. They have also moved into a unit which is 25 per cent larger than their previous premises.

"We are looking for a number of staff – printers, designers, we also have a finishing house," Mr Egerton said. "It will be a substantial increase, if this journey continues we could be wanting 50 per cent more staff."

"We can work much more cost effectively now which has allowed us to review our price structure."

## Team is kitted out for US test

Members of Lakeside FC, including (front) manager Mark Stokes and captain Nathan Edwards, aged 11, of Rugeley.

A BOYS' football team is set to follow in the steps of Manchester United's youngsters by taking on a team from California.

Mark Stokes, manager of Rugeley-based Lakeside FC under-12s, was contacted about playing Santa Barbara Soccer Club's Boys Under-12 team.

The American youngsters are touring with fixtures against the likes of youth Man-

chester United, Tottenham, Sheffield United and Charlton youth teams and Mr Stokes, aged 40, a former Hednesford Town player, said: "A guy from EPL Sports phoned me saying the Santa Barbara team would like to play a team at grass-roots level."

The game will be played at Lakeside's Rugeley Power Station ground on Sunday at 1.30pm.

## Rail users gain from extra lines to capital

RAIL users in Rugeley are to benefit from an increased Sunday service along the Trent Valley route.

London Midland has announced changes to its timetable, which will see hourly services introduced.

From Sunday (April 1) the frequency of trains on the Trent Valley line to London – which stops at Rugeley Trent Valley, Lichfield Trent Valley and Tamworth – will more than double.

Currently there are five London Midland services running to London from Trent Valley stations on Sundays and four making the return journey.

From Sunday this will increase to 11 services travelling south and 10 making the return trip.

### Demand

The services, which will run between Crewe and London Euston, are being introduced to meet customer demand on the busy West Coast route to London.

London Midland's commercial director Richard Brooks said: "The additional services will give our customers much greater choice when travelling to the capital over weekends."

"It is a big improvement for those wishing to travel to and from the capital on a Sunday."

## Portable pitch to tackle fire-raisers

A £3,000 portable sports pitch is being rolled out to areas across Cannock Chase targeted by arsonists. The 'street stadia' was launched as figures revealed a 115 per cent increase in blazes in the open.

Crews were called to 172 grass fires between October and December – up from 80 for the same period in 2010. Now, risk assessment teams at Staffordshire Fire and Rescue hope the pitch – roughly the

size of a tennis court, with net walls – will prevent a repeat of last Easter, when more than 100 fires were deliberately set across the district. The arena, which can be laid and used by youngsters for football, volleyball and dodgeball, could be rolled out regularly if its touring pilot proves successful.

It has cost the fire authority £3,000 for the court for around a month, from March 17 to April 14.

A fire service spokesman said: "A useful statistic from StreetStadia from previous uses is that anti-social behaviour fell by 30 per cent within a half-mile radius while it was available for use."

"For the same period that we have the StreetStadia for this year, the incidents we attended last year cost the service approximately £63,000 so we see this as an investment."

## Thief caught in 'sting' after Wii console taken

A THIEF snatched a Nintendo Wii games console and sat-nav system left invitingly on show in an unlocked car – but was then caught in a police sting.

George Jones took the goods before selling them on, but did not realise they belonged to Staffordshire Police.

Jones was later charged with theft.

Mrs Helen Newport, prosecuting at Cannock magistrates court, said Jones, aged 35, pleaded guilty to stealing the TomTom system and games console. He also admitted two offences of shoplifting in Cannock town centre.

He said: "He admitted the offence, saying he saw the vehicle was not locked and the items were on display."

The court heard Jones, of Keble Close, Cannock had sold on the goods for £100, which he then used to buy drugs.

Mr Glenn Cook, defending, said Jones fully admitted all the offences, and said he had intended to sell the goods for drugs. He said police were able to recover the stolen items.

## Targeted

David Bailey, spokesman for Staffordshire Police, said: "Vehicles are parked in 'hot spot' locations with items on show in a vehicle similar to those targeted by criminals."

"The reality for criminals is they can never be sure what is or isn't a police rat trap."

Jones admitted the January theft, along with two shoplifting offences on March 10 when he stole two joints of lamb from Farm Foods and computer game accessories from Game Station.

He was sentenced to a 12-month community order, and ordered to pay £24 compensation for the meat joints.

A GOLF club chipped in to help raise cash for a cancer charity.

Geoff Whitehouse, a member of Chase Golf Club, helped to organise the day to raise money for Macmillan Cancer Support after his son, Neil, benefited from the charity's care and support.

Neil has completed his cancer treatment and the event will support fundraising for when he takes part in the London Marathon

on April 22. Neil said: "When I was diagnosed with Hodgkin's Lymphoma I was given a 54 per cent chance of surviving by the doctors and was on chemotherapy and drugs for seven months."

Teams of four paid up to £45 for a round and an evening meal to help Neil's bid to raise £2,000 for the charity.

Chase Golf Club has a proud tradition of supporting charities.

ARSONISTS are thought to have started a fire at a farm. Crews were called to Lower Drayton, Penkridge, at 3.20am on Tuesday. A 60ft pile of wood chippings was alight.

## Hundreds saddle up for classic

A RECORD of more than 400 riders took part in a cycling event on Cannock Chase. Organised by Cannock company Run & Ride, it was held on Sunday, March 18, over a specially-designed course at Tackeroo campsite.

The second round of the Midlands XC series, the Cannock Chase Classic featured some of the top mountain bikers from across the region, with categories from under-8s to over-55s.

Neil Scrivens, of Run & Ride, said: "As the first mountain biking event we were officially part of, we wanted it to be special."

"Overall we were really pleased on all counts with how the day went. Feedback has been very positive. Although the course was technical, judging by the reactions and smiles of the riders, it was good fun too."

He added: "A huge thank you to everyone that raced, volunteered, manned a trade stand and simply watched the racing and enjoyed the day."

Home team interest saw Lee Gratton first past the post in the 'Sport' category. It was his second podium finish as he came home second in the Midlands XC Round One.

## Arts session record hope

ST Thomas's Church in Huntington is set for a record turnout at this year's Good Friday children's workshop.

Youngsters can get involved in a range of arts and crafts activities at the village community centre, in Stafford Road.

Chief organiser Sandra Davies said: "Last year there were well over 60 youngsters and this year we are anticipating even more."

Hot cross buns will also be on the menu. The workshop starts at 9.30am on Good Friday, April 6.

It will close with a short act of worship at midday on Friday, April 6.

## Bonny bonnets

YOUNGSTERS will be on parade in Cheslyn Hay tomorrow (Friday). The Village Pre-school, at the village hall, in Pinfold Lane, is staging an Easter fun day, featuring a host of craft activities, before the children take part in an Easter Bonnet parade, watched by their parents.

## Residents can have a say on town's future

RESIDENTS in Burntwood are being asked to have a say on the town's future at a workshop next week.

Burntwood Town councillor Sue Woodward has helped to organise the event. It is aimed at anyone interested in putting forward suggestions on improving the town's image and communications.

Both were labelled as priority action areas in last year's Burntwood Town Strategy and Councillor Woodward urged residents to get involved in the ideas process. She said: "We have the strategy document but now we need to make the hopes and aspirations it raises for Burntwood into reality. There are plenty of ideas buzzing

around but we need to get them down on paper, work out the ones which are achievable at a time of budget constraint, assess where additional funding will be needed and plan for the future. "I'm sure we can find some quick and easy wins if we can get local residents involved and bring their talents and experience to the table."

## Festivals

The Burntwood Town Strategy covers seven priority action areas, all led by members of the town council.

As well as communications and image, other areas for action are public transport, business and employers, environmental improvements,

community events and festivals, pathways and trails and community champions and volunteering.

Burntwood Town Council leader Don Isaacs added: "All town councillors are involved in developing the strategy one way or another but this is the town's strategy, not just the council's, so we want to involve as many local residents as possible in making our town an even better place to live."

The workshop takes place next Thursday (April 5) at Burntwood Library from 4-6.30pm. For more information email susan.woodward@lichfieldcc.gov.uk or call the council on 01543 677166.

## Couple sentenced in £1m fake designer goods racket

A HUSBAND and wife ran a £1m fake designer clothes racket from their home, while also buying cheap outfits from a charity and selling them for a profit, a court heard.

Hayley and Keith Horton funded a luxury lifestyle with money they made from Wags Classy Rags, which peddled thousands of fake Karen Millen dresses and other bogus designer items.

The majority of dresses were imported from China and sold on auction site ebay from the couple's home in Oldbury.

Some, which were seized by police and Trading Standards, were bought from Cannock-based charity Newlife and had new labels sewn inside.

It is estimated they raked in sales via ebay alone of £224,761.42 for Karen Millen fakes, £14,271.29 on fake Ugg goods, £13,570 on bogus Coast clothes and £8,263.17 from illicit French Connection items from 2008 up until 2010.

## Laundering

Experts estimated the couple, who have admitted selling counterfeit goods, money laundering and fraud, could have made up to £172,643 over 18 months.

Mr Mark Jackson, prosecuting, told Wolverhampton Crown Court: "This was not a market stall peddling some fakes. This was a major counterfeiting operation."

Sheila Brown OBE, CEO

By Alex Homer

of Hawks Green-based Newlife, said: "We think most people will find it unacceptable that this couple tried to profit off the back of a disabled children's charity."

Mr Iain Suggett, representing Keith Horton, 46, said he had £30,000 debts and was now "looking bankrupt in the face".

Mr Ben Walker-Nolan, for Hayley Horton, 40, said the marriage had broken down as a result of the case.

The Hortons, both of Harborne Road, pleaded guilty to charges at a hearing in November.

These related to counterfeiting thousands of dresses, fraud and money laundering.

Hayley Horton admitted disguising criminal property through bank transfers. She was jailed for 26 months.

Keith Horton, aged 46, also admitted transferring criminal property. He was sentenced to 21 months.

Year 2 children Lacey Holt, Thomas Smith, Kyle Crutchley and Grace Goring with Julie Thompson and PCSO Andrew Tipper at Etching Hill Primary School

## Children crack the case of giant egg

PUPILS were asked to 'crack' the case when giant eggs caused a stir at their school. The youngsters from Etching Hill Primary School were given the task of "investigating" the mystery and writing up their findings.

More than 370 pupils turned up at the school in Penk Drive North to find police tape cordoning off an area on the school field where the giant eggs lay.

They were then set the challenge of trying to work on what had gone on.

Genevieve Parsons, assistant headteacher, said: "We had a whole school writing day where we are trying to get children inspired at writing. We set up the scene without the children knowing."

"We even had a police officer as well as someone dressed up as a professor."

"We had some giant eggs in a nest of hay and told the children we were not sure what was going on."

"Everybody has now done some writing to see what they think. They even acted as newspaper reporters."

"We will just leave it open ended and told the children it was inconclusive" Mrs Parsons added. "They liked it a lot."

## THE BEST OF PETER RHODES

BY MY reckoning, based on the schedule issued this week, the Olympic torch will be passing through drought-stricken East Anglia at about the time the region is officially declared a fire hazard.

**DRACULA'S Castle. Does it need a revamp?**

CAN we please ditch the silly old stereotype of all pensioners being poor? Many, of course, are hard-up. But thousands of retired folk are among the most financially secure people in the country. That is why Chancellor George Osborne is levelling his "granny tax" on some of the better-off, and good luck to him. Even at my great age, my sympathies are with younger people desperate to get started in life, not with pensioners who think that having two Saga cruises a year is some sort of human right.

**RIGHT decision, wrong reason.** Judge Aiden Marron ordered a Muslim woman wearing a full veil to withdraw from a jury in London on the grounds that he needed to see her face while he was talking to the jury. But surely the real issue goes deeper than a judge's desire to see the faces he is addressing. It is that every English jury comprises 12 people and the system works only if the jury throughout the trial is the same 12 people. The juror in the burqa could be Surinder on Monday but Nigel on Tuesday.

**AS FAR** as I am aware our judicial system has only ever allowed one person to wear a mask and that was the public executioner.

**THAT** great national treasure, Nicholas Parsons, now 88, complains that age is a target for gags by people who would never dream of making jokes about gender, race or disability. But age is not the only free-fire zone for comics. People with ginger hair are still regarded as fair game. What a blessing it is that you can be old or ginger but rarely both.

**I AM** still puzzled by last week's menu for the Camerons' state dinner at the White House which included: "Shaved breakfast radish." Who eats radish for breakfast and how do you shave one?

**THE** Church of England is presumably drawing up the advert for Rowan Williams's successor: "The ideal candidate must understand that, while he will lead a Church based for 2,000 years on principles such as humility, obedience, chastity and self-denial, any attempt by him to defend those principles will be seen as reactionary, discriminatory and quite outrageous. (Please note: In view of the prestigious nature of this appointment, women need not apply)"

**THAT** showbiz veteran Davy Jones who died last month is fondly remembered by a reader who was working at the Grand Theatre, Wolverhampton, in the 1980s when Jones appeared in the touring production of Godspell. He recalls the Monkees star was "friendly, unassuming and very much prepared to mingle and chat." It is a golden rule of journalism that if you want to know what stars are really like, don't talk to their agents, their PR people or their fans. Talk to the theatre staff.

# Restaurant fundraiser will aid church

A PENKRIDGE hotel and restaurant will be raising money for a local church by hosting a special Easter weekend.

The Bridgehouse, at Stonecross, is raising money for the village church, St Michael and All Angels.

From Good Friday, April 6 until Easter Sunday April 8 the venue will be holding a raffle with the winner set to receive an exclusive chocolate Easter hamper. All proceeds of the

fundraising weekend will go towards church funds. During the weekend every child who orders a main course on the menu will also receive a free Easter Egg.

Bridgehouse owner Raj Dhandra said: "As it is Easter we thought it would be lovely to raise money for the church."

"Easter is such a wonderful family occasion and we want to hand out free Easter eggs to children through-

out the weekend. We will make the draw for the raffle on the evening of Easter Sunday. I hope people will come along and support us."

Raj and his wife Lomi took over The Bridgehouse last year and maintained the same staff including manager Irene Rabone who has worked there for the last 11 years.

All the food is freshly prepared with locally sourced produce and the restaurant can seat up to 80 people.

The Bridgehouse has revamped its beer garden and will be hosting barbeque nights every Thursday.

Customers can have two meals for £10 Monday to Saturday 11am to 6pm and enjoy the Sunday Carvery from £7.95 which is served all day.

The Bridgehouse also hosts a fish and chip supper evening on the last Thursday of every month. To make a booking ring 01785 714426 or log on to [www.thebridgehousehotel.net](http://www.thebridgehousehotel.net)

The ride will start and finish at the Pingle Slade entrance of Birches Valley, setting off at 9am. The 20-mile circular route will pass through Etching Hill, Hednesford and Longdon while the 100 km and 100 mile rides will take in villages further afield like Admaston, Rolleston-on-Dove, Dunstall, Coton and Hixon.

Entry fees of £22 for the 100-mile, £20 for the 100km event and £15 for the 20-mile ride include free parking and timing chips, feed stations en-route and a medal. Child entry is £5.

# Canal work help sought

A WORK party will gather for a clean-up at Brindley Bank, on the Trent and Mersey Canal this weekend.

The Lichfield Branch of the Inland Waterways Association has arranged the event on Sunday, April 1 from 10am.

Volunteers are required to carry out the improvements to the Brindley Bank aqueduct area, such as scrub clearing, lowpath mowing and removing trees.

Meet at the bottom of the steps, off Wolseley Road. Equipment will be provided. For more details, call Margaret Beardsmore on 07581 794111.

# Sappers' AGM

THE AGM of the Cannock branch of the Royal Engineers Association takes place next Monday (April 2) at 8pm at the Ex-servicemen's Club, Walsall Road, Cannock. All Sappers are welcome to attend. Call the secretary on 01543 423319 for more details.

# Better signage plea as disabled drivers fined

DISABLED badge holders are being hit with fines for failing to pay at a Rugeley car park, it has been claimed. A councillor has stepped in to fight their corner.

Motorists using the Brewery Street car park are said to be walking away without paying as free car parking is offered at many council-run sites.

## Care worker recognised with award nomination

A CANNOCK carer was a finalist in the dignity champion category at an awards ceremony. Wendy Kay was shortlisted in the South Staffordshire Dignity in Care Awards.

The award is presented to an individual who is able to maximise a client's independence while respecting and maintaining privacy and dignity. She was nominated by the husband of one of her clients and the ceremony was at Sandon Hall on March 16.

John Smith nominated Wendy, who works for Home Instead Senior Care in Cannock, for her care for his wife Margaret.

He said: "Wendy always goes out of her way to make Margaret happy and it is thanks to her that my wife is able to stay living with me independently at home."

"Even a broken wrist did not stop Wendy from attending her calls, and this continuity of care is so important to my wife and I."

Home Instead owner Fran Sayer added: "We are particularly proud that Wendy has received recognition for the quality of care she delivers."

"Becoming a finalist for this prestigious award is fantastic recognition for Wendy's hard work."

Disabled drivers are notified that they need to pay via a single sign yards away from their bays. Councillor Tony Williams is now calling for action.

He is urging private firm Euro Car Parks to put up clearer signs after an 80-year-old driver made him aware of the problem.

He said: "The gentleman was not annoyed about the £70 fine but about the lack of signage around the disabled parking bays which, due to appalling weather, misled him to believe that disabled parking was free of charge."

Cannock Chase Council operates a policy of not charging disabled drivers for parking, and Councillor Williams fears others will not be aware that Euro Car Parks has a different policy if the signs are not clear.

## Exempt

He added: "The only signage is 180 degrees behind the direction that I would expect the driver to be facing and that is about 7ft up the wall behind the ticket machine."

"The signage states disabled bays are for disabled drivers only in nice large bold letters and then continues on another line to say that they are not exempt from charging. However, this text is only about a third of the size."

Emma Worley, a support services supervisor, told Councillor Williams the car park would be investigated by an operations director.

She said: "A site visit will be carried out and signage amended if necessary."

## School's overseas visitors

Visiting Italian teacher Marilene Barone with pupils Matteo Degasberis and Chiara Alonzo, both aged 10, Gorsemoor Primary School teacher Val Lomas, headteacher Paul Bennett, pupils Ashleigh Pearson, six and Alfie Lee, five and Aidan Burley MP

A TEAM of touring teachers met Chase MP Aidan Burley at a school in Cannock.

A delegation from Italy, Belgium, Poland and Greece visited Gorsemoor Primary School in Heath Hayes as part of an exchange programme.

And Mr Burley went to the Gorsemoor Road school to welcome the party.

The visit is part of the Comenius programme run by the British Council which encourages European countries to share

their educational experience. Conservative MP Mr Burley said: "They came over for four days to see what education at schools in the UK is all about, with the reciprocal arrangement in place for teachers from Gorsemoor."

"I went down to show my support for the Comenius programme and chat to the visitors. They were asking me about what it's like to be an MP, and about Cannock Chase."

## Colly lauds police after tweet case

EX-footballer Stan Collymore has thanked police following the sentencing of a law student who sent him a series of racist tweets.

Joshua Cryer, 21, admitted using social networking website Twitter to bombard the football pundit with abuse, Newcastle magistrates' court heard.

Cryer told police he hoped to gain a reaction from Collymore, now a broadcaster for talkSport and a campaigner against racism. The Newcastle University student, who lives in the Jesmond area of the city, claimed his account had been hacked.

He later admitted a charge under section 127 of the Communications Act of sending grossly offensive messages.

District Judge Stephen Earl handed him a two-year community order with 240 hours unpaid work. He must also pay £150 costs.

Cryer, from Burnley, Lancashire, was arrested in January after Collymore, a former England striker who is originally from Cannock, reported online abuse to Staffordshire Police.

Following the sentence, he tweeted: "Would like to thank Northumbria & Staffordshire Police for their professionalism in dealing with this case."

## Unseen Hoard items revealed by experts

The intricate gold and garnet with interlace animal panels

NEVER-BEFORE-SEEN items from the Staffordshire Hoard have been revealed.

Images include a bird of prey crafted from gold and red garnet which archaeologists at Birmingham Museum and Art Gallery believed might have been designed to decorate a weapon, shield or other armour.

The treasure, discovered in a Staffordshire field in July 2009 by metal detecting enthusiasts Terry Herbert, was last week the subject of an online discussion as two

Hoard experts from the museum answered questions from interested web surfers and academics.

Other pictures of the Anglo-Saxon treasure show gold and garnet with interlace animal panels and a silver foil fragment stamped with two facing male heads.

## Largest

The treasure - which was viewed by more than 50,000 people when on display in Washington - is the largest hoard of Anglo-Saxon gold and silver metalwork ever found. It

was discovered in a field near Hammerwich belonging to farmer Fred Johnson and comprises of more than 3,500 items.

Experts date the artefacts to the 7th or 8th centuries.

The publishing of the new photos also coincided with a webchat hosted by Birmingham Museum and Art Gallery experts.

Curators Dr David Symons and Dr Morn Capper took questions from around the world on Friday (March 23). The event was organised by Birmingham City Council.

## Relief for sporty fundraisers

Joe Hartshorne, Jaybir Kaila and Ben Blakesley crawling a mile in aid of Sport Relief at Cannock Chase High School

THOUSANDS of people across the region jumped on the Sports Relief bandwagon, donning fancy dress and taking part in sporting events to raise money.

The efforts by schoolchildren and workers helped to swell the national fundraising total to a record of more than £50 million.

Among them were hundreds of youngsters from St Peter's Primary School in Hednesford, who threw on 80s-inspired costumes for a fundraising dance and open-air aerobics session. All 465 pupils at the Reservoir Road school got involved while teachers and parents also joined in.

Children were also asked to bring in 10p pieces with staff trying to gather enough coins to stretch a mile.

Assistant headteacher Angela Whitney said: "I don't think we've quite reached a mile but we have raised £385. We always do something for Sport Relief and Comic Relief."

Around a dozen staff at B&Q in Cannock, teamed up with Fitness First to use a rowing machine and a bike to raise least £100 by travelling 164 miles on the machines.

Pupils at Cannock Chase High got down on their hands and knees to crawl for an entire mile and show their support for the cause.

Joe Hartshorne, Jaybir Kaila and Ben Blakesley took 30 minutes to do the mile around the playing fields of Cannock Chase High School, on Hednesford Road, as part of Sport Relief activities last Friday (March 23).

## Donations

Around 900 pupils took part in the mile, many of whom donned fancy dress including pyjama, animal and banana outfits.

Science teacher Kate Boot organised the event. She said: "It went really well and we were so proud that so many pupils took part. 'The weather was good, which was a bonus, and it's nice for them to be doing something active for charity.'"

Around £500 has been raised by the school so far although donations are still coming in.

Meanwhile, staff at a Cannock supermarket helped raise £3,100 with a series of fundraising activities.

Colleagues from Sainsbury's, based at the Orbital Retail Centre, cycled the equivalent distance from John O'Groats to Land's End on an exercise bike in the store, which raised £987.

A book sale was held, while staff joined pupils from Norton Canes High School, in Burnwood Road, for the Sport Relief Mile and a game of rounders.

Heather Norman, spokesman for the store, said: "We would like to thank all of our customers at Sainsbury's Cannock for their support for Sport Relief."

"Thank you also to the staff of Nuffield Health Centre who not only helped with the peddling but also supplied the exercise bike."

# Memorial will be 'fitting tribute' to mineworkers

DEPUTY Lord Lieutenant James Leavesley will be among the dignitaries at a mining memorial dedication ceremony.

The memorial, in the form of a wall inscribed with miners' names and the pit they worked at, will be unveiled on Saturday, April 28 in Market Street, Hednesford.

The project has been led since by 2006 by Chaps (Chase Art for Public Spaces) after the first phase, an 8ft Davy Lamp, was erected.

A service to open the new memorial will be led by the Bishop of Manchester, the Rt Rev Nigel McCulloch at 3pm.

Chase Orpheus Male Choir, accompanied by Rugeley Power Station Brass Band, will perform, with former Cannock Chase MP and Chaps chairman Dr Tony Wright also in attendance.

### Book

Mike Mellor, treasurer of Chaps who has overseen the project, said: "We believe this project to be a very fitting way to remember all those who worked in our local collieries."

The Coalfields Regeneration Trust has granted Chaps a sum of £4,999 which will be used towards putting on the ceremony, as well as producing a book. It will tell the story of the memorial, featuring information about Cannock Chase collieries and a list of everyone named on a brick as well as tales about some of the people who worked in the mines and on the Chase coalfields.

The book costs £5 and will be on sale after the dedication ceremony. Market Street will be closed to traffic from 1pm.

### Easter break workshops

ARTS and crafts workshops, fun and games and children's trails are all on offer during the Easter holiday at the Museum of Cannock Chase, in Valley Road, Hednesford. For more details of the drop-in and pre-booked workshops call 01543 877666.

## Couple have tools for long marriage

Fred and Margaret Belcher, from Great Wyrley, celebrate their diamond wedding anniversary

A GREAT WYRLEY couple proved they have had the tools for a successful marriage after celebrating 60 years of wedded bliss.

Fred and Margaret Belcher, of Great Wyrley, reached the milestone last Thursday (March 22) and received a card from The Queen to mark the occasion. Former tool-maker Fred, aged 84, spent most of his working life at the Elliott Lucas works in Churchbridge, while Margaret joined him as

Frederick and Margaret Belcher from Moat Lane, on their wedding day

an inspector at the same site. They met when they were teenagers when Fred was on leave from the navy. They married at St Andrew's Church in Walsall in March 1952.

Margaret, aged 81, put the secret of their success down to both having a sense of humour. They celebrated the anniversary with a family party and a meal. The couple have two children, 47-year-old Tony and Sue, aged 51, as well as two grandchildren, Carl, aged 31 and Brett, aged 26.

## Book tells of kidnap ordeal

**A FATHER who travelled across the world to find his son has released a book telling his story.**

Sean Felton, aged 40, travelled thousands of miles from his home in Norton Canes to a remote village in Thailand after his child, Jobe, three, was abducted by his estranged wife.

The book, 'Scared of the Dark', has gone on general sale across the world and it records Sean's ordeal, including

how he entrapped his wife by posing as a millionaire playboy on Facebook.

Sean said: "It's out there now and I'm told, by my publisher, it is on sale in every country in the world."

It tells of how Sean, devastated by the prospect of losing his beloved child, began a frantic search that would cost him thousands of pounds and countless sleepless nights.

Having tracked Kim down, she at first demanded money in exchange for Jobe's return. Sean, a former painter

and decorator, hired a private investigator and finally turned to Facebook, setting up a fake online profile in order to lure Kim into contacting him.

After a lengthy discussion with his estranged wife, Sean headed home and was awarded full custody of his son by the High Court in 2010.

Scared of the Dark is £7.99 and available online and at book shops. For more details, visit [www.abductedangels.com](http://www.abductedangels.com) and [www.facebook.com/abductedangels.org](http://www.facebook.com/abductedangels.org)

## Questions posed on benefits changes

I MIGHT not be brightest bulb on the tree, and not clever as those who run the country, but I'd like to make an observation.

Over the past year there have been changes in benefits that affect most people – the £35 a week reduction in single person housing benefits, Employment Support Allowance only paid for a year, and six months of Job Seeker's Allowance (JSA).

If JSA is stopped then any help with housing and council benefits are stopped and in the end several million people will be unable to get any form of benefits because there are time limits on how long they last. I'd like to know what are these people supposed to live on, how they are supposed to get work and does the government think that giving £4 per week will make any difference to the living standards of normal people?

## Five years of cuts and closures

I REFER to the letter of March 15 by Chris Collis headlined: "Parking fee rise hard to comprehend".

He accuses the Labour-run Cannock Chase Council of being irresponsible, daft and guilty of illogical thinking. May I remind him of some of the irresponsible daft and illogical things the recent Con/Dem-run council, that he was part, were responsible for?

For five long years the council taxpayer had to suffer closures and cuts in

services, in order to pay wage increases for officers and council members.

Public toilets, the bowling green and stadium were closed. Reduced concessionary fares for pensioners were introduced and plans were made to charge the disabled for parking. All this was done without a mandate, leaving the council taxpayer to pay far more for far less.

The Labour-run council has this year frozen council tax, reversed plans

to charge the disabled for parking, brought back grass cutting for elderly tenants, and begun building council homes for the first time since 1987.

Mr Collis would be well advised to look at the record and the mess left behind by the coalition council and then look at the good things the Labour-run authority is now doing before making such comments.

## Poor show to complain of fees rise

I WAS amazed to see the letter from former Lib Dem councillor Chris Collis complaining about the 10p rise in car parking charges (Chronicle, March 15), since the increase was one that he voted for before he lost his seat.

The price increase was approved by the previous Lib Dem administration of which he was a senior member.

It's a bit rich for him to moan about it now. Either he didn't know what he was voting for or he is not telling the full story. In either case it's a poor show.

When they controlled Cannock Chase Council the Lib Dems opposed Labour's proposal to scrap parking charges for the two Saturdays before Christmas.

The Tories, Lib Dems and Liberals did not ask for the car parking charges to be scrapped so Mr Collis needs to speak to his Lib Dem/Liberal friends to ask why not.

## Political views are outweighing news

OVER the past few years in Rugeley the Lib Dems have distributed their Talk Back leaflet informing residents of news from the local council. Apart from a bit of party politics (which of course I'd expect) the updates have been generally useful, but recently the level of spite to the other parties has begun to outweigh any genuine community news.

What is important to me as a resident of Rugeley is knowing that my local councillors have my interests at heart, and any cheap point scoring against the other parties has no relevance what so ever.

What is produced in the latest Lib Dem leaflet has left me asking myself, do I really want such people representing me?

## Humanists don't deny a majority of their wishes

RAY Thursfield's short letter of March 15 re: "All this stuff about prayers before meetings".

There is no harm done by anyone who, like Ray, states "just go along with it". But for those who find it difficult and meaningless to accept and to "think for themselves" then all they need to do is to ensure they are absent for that part of the proceedings that involves prayers, not deny others something that brings a sense of fellowship to a gathering at the start of a meeting, regardless of whatever political party they may support.

Ray implies that most humanists do not do any harm but most do not try to deny a majority of what they wish to do.

## Gardeners doing a blooming great job

COULD you please mention our 'flower power' gardeners who do such a blooming good job? The Jilies are beginning to flower and I'm sure we will all be able to enjoy the colours and aroma year on year. They plant the gardens in Hednesford and it is I know appreciated by all.

Could you also mention about the regeneration? I never realised how vast the area was. I have watched the demise of many of the old buildings and the springing up of the new. They all seem to be working hard to complete the mission. It's a bit topsy-turvy at present but the disruption seems to have been kept to a minimum. The workmen have worked hard and are very pleasant and full of information.

Despite the mess, our town cleaner has kept us spic and span so thanks too to him. I know a good number of people have done some complaining about it all but 17 years ago when we had meetings to regenerate, lots complained how Hednesford was always forgotten then.

Wolseley Hall, Rugeley, the ancestral home of Sir William

Looking down the high street towards the village of Longdon

## Fortune teller predicted drowning of Sir William

**IN THE Rugeley area, floods and fires were of frequent occurrence and one such incident led to Sir William Wolsley's death.**

Sir William, 3rd Baronet, born in 1660, was a great traveller, and on one occasion he brought four beautiful Arab mares back to England from Persia.

In Persia he had had his fortune told to the effect, that as a punishment for having consulted a fortune-teller he and his four mares should be drowned together.

To avoid this calamity he sent his mares home in one ship while he followed in another. Some years

By Ken Edwards

after, while living at Wolseley Hall, he invited the Rector of Colwich to accompany him to Lichfield and dine there, but the Rector excused himself on account of a dream his wife had had the night before.

Sir William accordingly went to Lichfield by himself, and was returning about 8 pm on July 6, 1728 in the midst of a great storm. He reached the little brook at Long-

don, known as Shropshire Brook, and at that instant the increase of water in the brook caused by the thunderstorm burst the mill dam, and a great flood of water came down carrying horses and carriage with Sir William down the stream and drowning them.

### Plates

The coachman's life was saved by means of an over-hanging tree which he clung to.

A hundred years or so later one of the plates of the hammer-cloth was dug up near the spot and is now in Wolseley Hall.

Sir William was buried at Colwich St Michael's Church on July 9 1728.

The Swan With Two Necks is close to where Sir William died

# Torchbearers' joy at carrying Olympic Flame

A GRANDMOTHER who has helped hundreds of schoolchildren through her passion for dance and gymnastics has been chosen to carry the Olympic flame.

Elaine Mills, of Station Road, Great Wyrley, says she is excited to have been chosen as a Torchbearer. She will be carrying the Olympic flame through Wilenhall on June 30.

The 67-year-old, who was nominated by her daughter Ellen, 40, has taught gymnastics to pupils at schools across Walsall.

Mrs Mills is in remission from cancer and also helps to run Moat Hall Gymnastics Club. She has organised the Walsall Dance Festival at Leamore's Forest Arts Centre for several years.

The grandmother-of-three also finds time to organise health walks in Great Wyrley.

She said: "I'm very excited about it." Other charity campaigners who have raised thousands of pounds for good causes are among those who will carry the Olympic Torch.

## Nominated

Thousands of people are expected to line the route when the flame travels through Stafford, Lichfield and Great Wyrley.

Leigh Rogers, a 27-year-old training manager from Penkridge, has been rewarded by being asked to carry the torch through Stafford on May 30.

Leigh was nominated after setting up the Penkridge and District Community First Responders charity while also working part-time for West Midlands Ambulance Service. He said: "It's a real once in a lifetime opportunity."

Tom Bolton, a 17-year-old a sixth-form student from Burntwood, will help carry the torch through Lichfield after being nominated for charity work. Tom, who has cerebral palsy and uses a wheelchair, has mainly raised cash for Comic Relief and Children in Need.

Also on the Lichfield run will be Ben Kenyon, 15, a Nether Stowe High School pupil with Asperger's syndrome.

He lives in Rugeley and was chosen for his work with the National Autistic Society.

## Couple's Diamond day

Joyce and Luke James are celebrating their diamond wedding anniversary

A COUPLE who met on the swings and have had "ups and downs" ever since are celebrating 60 years of marriage. Joyce and Luke James first met at Cannock Park.

They have been item ever since and were celebrating their Diamond Wedding today (Thursday).

The couple wed on March 29, 1952 - four years after they met - at 'St Luke's church.

Former miner Luke, now 81, and his factory worker wife Joyce, 80, were marking the milestone with a family meal organised by sons Trevor and Mark.

Joyce, a grandmother-of-three, of Shakespeare Grove, said: "We have had good times and bad times, ups and downs, like everybody else.

"We have pulled together when we have needed to. We have had a good life," she added.

## £30,000 pocketed in hearing aid con

**AN AUDIOLOGIST** stole his employer's customers by selling them his own hearing aids and pocketing almost £30,000. David Taylor's job was to dispense hearing aids for Scrivens.

**Richard Woodall**

Glenn said: "You breached the trust of your employers. You took advantage of your position and took advantage of elderly customers."

The manager of Rugeley-based Scrivens had to explain to customers. One complained and Taylor refunded her from his own pocket.

Mr Chris Clark, defending, said Taylor had arranged with the firm's solicitors to pay back £26,000.

"Malice towards his employers was not his motive, but to provide a better service."

Red, white and blue for Jubilee

# Pauline praised for campaign support

## CANNOCK WI

THE president wished seven members a Happy Birthday for April/March and welcomed guests Sue Gay and Sybil Stimpson.

Secretary Helen Hallchurch read out the previous month's minutes and notices of future events.

Helen's own fundraising coffee morning on the 12th was well supported by members who enjoyed a guided tour of her new barn conversion. Cakes made by members were greatly enjoyed along with amusing conversations and very nice raffle prizes.

The committee has been elected to provide the buffet for the Queen's Jubilee party. There will be music from the 50s/60s and Kay Matthews has been invited to perform her Burlington Bertie routine. It is proposed that everyone wear something red, white and blue.

April 12 is the AGM and after voting, members will enjoy a fish and chip lunch.

Entry forms have been received for the WI Federation's Big Walk - Little Splash, from April 1 until September 16. The aim is for every club to do a collective 209 miles, the distance from Llanfair PG on Anglesey where the WI movement began, to the Olympic Stadium in London.

The speaker Jane Brown was from Shugborough Hall who gave a very professional talk on the shoe industry in Stafford. Stella Winfield gave the vote of thanks.

Pauline Hawkins with a collecting tin and books for sale in aid of the Purple Teardrop campaign

## SI CANNOCK &amp; DISTRICT

SOROPTIMISTS are extremely grateful to all those who have supported their work with the Purple Teardrop Campaign, raising awareness about trafficking.

Particular thanks must go to Pauline Hawkins of Hawkins Coffee House, The Lightworks, in Hednesford.

Through previous voluntary work she knew of some of the awful consequences of trafficking and was keen to support the campaign.

Pauline carries posters and leaflets in her shop and had Purple Teardrop pins for sale - all her customers know about the campaign and they spread the word elsewhere.

Each year Pauline supports a local charity through the sale of books which are donated and this year she is supporting the Purple Teardrop work undertaken by the Soroptimists. She suggests 50p for a book, but any donation is welcome.

## President's last address

AT a well-attended AGM, members were welcomed by Sue Hanslow for the last time as president after eight years. Wine was provided by Beryl Dommett to celebrate her Golden Wedding.

Names were taken for the Denman Pat Saunders Bursary, which will be drawn at the next meeting, the 90th birthday party

## BURNTWOOD WI

dinner. The financial statement was followed by the committee's annual report presented by Judy Griffiths.

Thanks were given to the committee for the activities and talks they had arranged before Sue's last address as president. She was thanked by Joan Marson and pre-

sented with a gift. Gwyneth Howells is new president.

More presentations took place to four members standing down from the committee. Three new committee members were welcomed.

Following the 50/50 sale, some brisk trade was done. Ron Box and Wendy Dunn jointly won the nature poem competition.

## Jobless Sarah launches alternative employment

Amy Mason, Sarah Cornwall and Karyl Herbert celebrate the opening of Holistic Hut, Albion Street, Rugeley

**A WOMAN made redundant two years ago has opened her own aromatherapy business in Rugeley.**

Holistic Hut opened for business on Albion Street earlier this month, completing a remarkable turnaround for 38-year-old Sarah Cornwall.

Sarah was forced to leave her job as an office administrator in 2010. After waiting for her daughter Grace to be

old enough to go to school, she decided to embark on a new career.

She signed up for free Workers' Educational Association (WEA) classes at Lea Hall Miners Welfare Centre, which she said gave her the confidence to launch her own business.

"Being made redundant was a wake-up call," Sarah said.

"The WEA training classes were a big help and gave me the confidence and know-how to set up Holistic Hut."

Sarah is also a student at Stafford College where she is studying for a Level 3 diploma in aromatherapy.

"It's been really hard work getting to this stage but it's all been worth it."

Holistic Hut offers a range of treatments and products, including essential oils, crystals, angel cards, reflexology, reiki, psychic development and relaxation groups.

For details visit the shop's Facebook page, or call Sarah on 07504 465424.

### Commercial Feature

# Children come out of their shells at nursery

Fun with paint – there's plenty to see and do at the nursery

The nursery promotes a diverse diet

**"OUTSTANDING" and that's official. Ofsted bestowed the highly coveted award on Turtles Nursery in Penkridge recently.**

The children enjoy a curriculum which is rich in hands-on experiences, something which the staff believe helps the children to learn.

The nursery is currently awaiting the arrival of its caterpillar order – then children will be able to experience "the life cycle of a butterfly".

After this the children will learn about the life cycle of a frog by watching closely the change from frogspawn to tadpole.

Programme  
The nursery arranges many trips which are included in the fees, such as Sealife, the Monkey Forest, pond

dipping, Alton Towers, Chinese restaurants, cinema and the theatre to name a few.

Each room is age appropriate and a regular programme of maintenance keeps the environment fresh, stimulating and exciting. Both nurseries have excellent outside play areas with soft play for all ages.

Food is prepared by the excellent cooks, who home cook the food.

### Broaden

There is no fast food or junk food at Turtles. And children are encouraged to eat exotic fruit and vegetables as part of their five-a-day to broaden experiences.

Allergies or preferences are easily catered for. Weaning foods are prepared on site when babies are ready for this stage.

Owner, Karen Laycock, says: "The excellent reputation Turtles has is due

to the fantastic committed staff who are highly trained.

"It is really important to have experienced and qualified staff and employs graduates, staff with EYPS, NVQ 4 and NVQ 3 level staff.

"Staff attend regular training sessions and all have first aid and safeguarding certificates

Turtles employs long term staff ensuring that continuity is given to the children that are cared for by the Stafford or Penkridge nurseries

Staff are trained to deliver the Early Years Foundation Stage Curriculum and are competent in tracking development and supporting each child's individual learning journey which prepares them for school.

# Help from experts on cash for growth

A SPECIAL event in Cannock was being held for companies looking to gain finance for growth.

The Greater Birmingham and Solihull Local Enterprise Partnership joined forces with its counterpart in Stoke-on-Trent and Staffordshire and the Black Country Reinvestment Society to host an interactive seminar from 4.30pm today (Thursday). It is aimed at unlocking much needed cash for small and medium-sized enterprises.

More than 20 specialists have been invited to the Ramada Hotel in Bridgtown to provide advice and guidance on accessing funding opportunities, preparing a business for finance and being imaginative when considering options.

## Gnomes selling sharply

Hollybush garden centre assistant Alison Mallin with one of the gnomes

A GNOME with a knife sticking out of its back is proving popular with customers at garden centre.

They are normally holding a fishing rod or sitting on a toadstool – but this latest, bizarre creation has become a best seller at the Hollybush in Sharnhall with people buying them as a joke for their neighbours.

The garden centre's manager Steve Hallett says the figures, which cost £12.99, are disappearing from shelves at a rate of around five a week.

He said: "We position them away from the other gnomes, at the back of the display, but they sell really well."

"A lot of people buy them for their neighbours as a bit of friendly banter. At the end of the day they are just a bit of fun."

The 2011 film Gnomeo and Juliet has been credited with reversing a decline in the sale of garden gnomes, with sales doubling in the last year.

The novelty gnomes with the knives in their back are designed to lie face down in the garden.

# More pubs sell land for homes

REAL ale enthusiasts say more and more pubs are having to sell off parts of car parks and beer gardens for housing development as the industry fights to stay afloat.

The Campaign for Real Ale says the practice is becoming more common, but adds it is better for pubs to do that than close down.

One such development will see homes built on the car park of the Prince of Wales pub in Rugeley.

JM Homes Ltd is to build nine two-bedroom homes on the parking area. It will leave just nine parking spaces at the pub.

Cannock Chase Council's planning control committee gave permission last month.

JM Homes Ltd director Mark Fitzpatrick said he hoped to start the work towards the end of March.

The Solihull-based devel-

by Daniel Wainwright

opers say the pub's owners are happy to give up the car park spaces, off Sheep Fair, as they already have more than they need. The firm said the decision had been reached after a decline in trade at the pub.

Jim Laws, from the Wolverhampton branch of Camra, said: "There are pubs that are struggling but at least if they are building next to them the pubs are not closing."

"We keep seeing pubs that have closed being turned into shops because that does not normally need planning permission."

## Super day for youngsters

YOUNGSTERS at a Rugeley nursery dressed as super heroes for the day to raise money for charity. The event at Small Hands day nursery in Handsacre raised £44 for Momentums Brain injury centre. A nursery spokesman said: "Children could choose their favourite super hero or princess to dress up as. All of the children and staff looked great and we had a great day."

# Company is inspired to agree new units deal

A TRAINING business has taken a lease on three units within the High Green Court development in Cannock. Inspire 2 Independence has signed a four-and-a-half-year lease.

By John Corser

The company's Cannock office is one of its Midlands and Northern based training centres.

The lease has been signed with the Pritchard Group on 6,522 sq ft of office space on the first floor.

The company was already a tenant at High Green Court and has chosen to expand and stay within the site. Inspire works with local and regional employers to deliver work programmes and specialist retail, customer service and team leading apprenticeships as well as offender services and recruitment solutions.

### Tenants

Other new tenants that have recently moved to High Green Court are the Fairy Mop Mother, which took a lease on Unit 20 and the Richmond Fellowship who signed a three-year deal on Unit 16. Meanwhile, only

one office building remains to be let at the Park Plaza development at Heath Hayes after new tenants took a lease on two floors at Falcon Point.

Bespoke Resources Group has taken office space on the ground and second floors after signing a three-year lease. Bespoke already operates within the Cannock area offering payroll services to a variety of sectors and a range of business sizes.

The unlet building is Point East which has three separate offices from 1,745 sq ft to 1,935 sq ft.

Tenants also on the site include regional offices of housebuilders George Wimpey, Smeg's kitchen appliance servicing operations centre and Save a Cup recycling company's offices.

A BEAUTY salon is offering customers the chance to look like reality stars from TOWIE or Made in Chelsea.

The Worx, on Longford Road, offers HD eyebrow treatment, which involves dyeing the skin, tinting, waxing and threading to produce a precise shape.

Owner Stefanie Daniel said: "It's a bit of an illusion and they can make you look a lot younger."

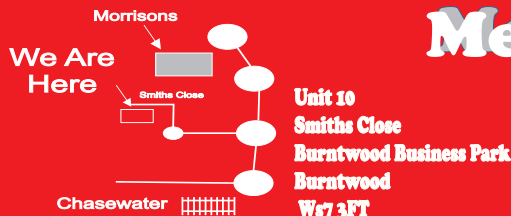

A £15 offer on HD eyebrows runs until the end of April. Call 01543 467150 or visit the salon's Facebook page, called The Worx Hair, Tanning and Beauty Salon.

## Diamond couple reach landmark

Diamond couple Ken and Betty Woolley, of Hednesford

A HEDNESFORD couple are celebrating 60 years of wedded bliss this week. Ken Woolley, aged 81, and wife Betty, aged 80, of Hednesford, were celebrating their diamond wedding anniversary today (Thursday).

The couple, who tied the knot on March 29, 1952, at St Mark's Church in Great Wyrley, have a daughter and a son, three grandchildren and one great-grandchild.

Mr Woolley, who worked as a painter and decorator, said:

The couple on their wedding day on March 29, 1952

"I was working on a building site in Great Wyrley when we met. The wife was only 14 then and I was 15. I want to the Far East in 1949 in the armed forces but I came back from abroad and we got married. My wife also worked in Russia twice for her company."

Mrs Woolley, who worked for car component company Joseph Lucas, said: "It's about being there for another through the good and bad. We've definitely been kept busy."

## Game stores jobs to go

**ADMINISTRATORS for stricken entertainment group Game are closing of hundreds of stores with the loss of thousands of jobs.**

Eight outlets in Staffordshire and the Black Country have been shut, including the shop in Cannock's Market Hall Street and others in Stafford, Walsall and Wolverhampton. Scores of jobs will go in the region

and more than 2,000 nationwide as a result Game and Gamestation stores being closed by administrators PwC.

The closures are among 277 shops shutting that will trigger the loss of 2,104 jobs across the UK. However, the remaining 333 stores will continue to trade while a buyer is sought.

### Explore

Mike Jervis, joint administrator and partner at PwC, said: "The recent job losses are regrettable but will place the

company in a stronger position while we explore opportunities to conclude a sale. My team and I will be doing all we can to help the affected employees."

The chain's demise follows a string of profit warnings and the failure of nervous suppliers, including Electronic Arts and Nintendo, to go on providing new games.

The retailer had a £21m rent bill due at the start of this week and faces a £12m wage bill this weekend.

# Kindly donation by club just the ticket

A GROUP of Chase villagers are thanking bingo bosses after being donated a Kindle to help boost fundraising for community activities. The prize was donated to the Circle of Residents' Association for Prospect Village by Hednesford Bingo club.

The group seeks to hold various fundraising events each year in order to be able to treat its members.

The bingo club, in Victoria Street, responded to calls from the association to help with the summer's prize draw.

Mary Stakes, aged 62, of St Bernard's Close, Prospect Village, is secretary of the Circle of Residents' Association. She said: "When my husband Arnold and I came here three years ago the residents' association had laid dormant."

### Vouchers

"Our aim is to put the feel back into the community with the help of residents. Last year's fundraising allowed us to give out vouchers and help people."

"I asked the bingo whether they wanted to be involved in fundraising - they kindly donated a Kindle which will go into the main prize summer draw."

The Circle of Residents' Association has 10 people serving on the committee with around 100 people involved. Much of its work, said Mrs Stakes, helped people in their everyday lives.

"It helps us give to people a better standard of living," she added.

A prize draw takes place in July. To donate items for the draw, call Mrs Stakes on 01543 275999.

# Songsters in fine voice for Corps anniversary

From left; Major Yoma Martin; lieutenants Liz and John Tubby; Major John Martin, Gladys Martin, Ass Corp Sergeant Major Elizabeth Dunning, acting bandmaster Barry Evans

## MEMBERS of Hednesford Salvation Army marked the group's 130th anniversary with a celebratory service.

The group welcomed Regent Hall Songsters, from London, to perform at the event at The Salvation Army Hall, Anglesey Street. Major John Martin,

songster leader for the London group and originally from Hednesford, led the 50-strong songster brigade, which included several vocalists and instrumentalists.

Around 230 people came to listen to the music including visitors from neighbouring Corps.

Hednesford group member Colin

Rogers said: The Salvation Army came into the town on March 19, 1882. To this day The Salvation Army still retains its place in the community."

The present oldest Corps member is Major Martin's mother, 92-year-old Gladys. Thanks were given at the end by Hednesford Corps officers, lieutenants John & Liz Tubby.

## Hunt for queen is launched

TEENAGERS can follow in the footsteps of Holly Herzberg by being named Cannock Carnival Queen.

Cannock Traders' Association has launched its search for the 2012 winner and is inviting applications from girls aged 16 to 19.

This year's carnival has a fairy theme and takes place on July 14. The Queen will be selected at the civic ballroom, in Beecroft Road, on Friday, May 4. The winner will also host a Jubilee Street Party on June 9.

For an application form, e-mail [civicalballroom@aol.com](mailto:civicalballroom@aol.com) or call 07963 752993 or 07990 554459. Entries must be returned no later than April 28.

Cannock Traders Association meets once a month in the Premier Suite of Bar Sport and new recruits are welcome. Membership is free. The next meeting is on Monday, April 2 at 6.30pm.

## Club fundraiser

A CANNOCK club raised more than £2,000 for St Giles Hospice. St Mary's in Hallcourt Road, collected the cash during St Patrick's weekend.

## Strictly sensational dance duo set to step out on tour

**DANCE fans can get a closer look at the 2011 Strictly runner-up Pasha Kovalev when he performs in Cannock next month.**

Pasha, who partnered Waterloo Road star Chelsea Healey last year, will also perform in Tamworth as part of the 35-date tour, which kicked off this week.

Billed as The Stars of Strictly Come Dancing in an Evening of Dance and Conversation, it will also feature Katya Vishilas, who has partnered Phil Tufnell and Gavin Henson.

The two have been working on some new routines and Pasha said he was looking forward to seeing parts of the country he'd never ventured to before.

Speaking to *The Chronicle* ahead of the tour, which kicked off in Tunbridge Wells on Tuesday and lands in Cannock's Prince of Wales Centre on April 24, Pasha said: "A lot of the towns we have not visited before so we are looking forward to seeing the country."

It hits Tamworth Assembly Rooms on Easter Sunday, April 8, with one of the main features being the appearance of a local dance school to perform

with the stars, one that the 31-year-old Siberian-born dancer is also eagerly anticipating.

He said: "It's great to see the children get involved and it's good to see the audience enjoying it too."

After only one series on Strictly, Pasha is still waiting to hear whether he will be called up again this year. But, whatever the outcome, he has no regrets. It was on the show that he was first paired up with Katya. And Pasha, who now lives in Los Angeles, said: "If it wasn't for Strictly, I wouldn't have met Katya and be able to go on this tour and work on new dances."

## Supportive

Having already been a contestant on the American version of Dancing With the Stars, Pasha said there was little comparison between the two, though he had been made welcome by the crew and fellow dancers on the hit BBC show. "Everyone was so supportive and helpful towards each other and to the celebrities," he added.

The live Strictly tour followed, where he again teamed up with Chelsea. And he was full of admiration for his young partner. "She was amazing the way she fit everything in,

with her filming and travelling between London and Manchester."

In fact, all those taking part were praised by Pasha. "Each celebrity has that one special thing, either rhythm or personality or character, so you have to concentrate on that one thing and showcase it," he said.

Pasha himself took up dancing at the age of eight, when his mother first took him to a competition. "I saw the pretty girls on the stage and the outfits and I said to my mum that's what I want to do. In eastern Europe, most people enjoy singing and dancing and when you put all the dances together it's like a beautiful bouquet."

The Cannock show starts at 7.30pm and tickets are £20 from the box office on 01543 578762.

Dancers from Cannock will join Pasha and Katya on stage in Tamworth on April 8. Tickets are £19, £17 concessions for a 7pm start.

So what's next for Pasha? A holiday will follow this tour, which ends on May 6 followed by some work in the United States and dance projects he has for the BBC.

Then, who knows, Strictly may come calling again. "I go where the dancing takes me," he said.

Strictly Come Dancing duo Pasha Kovalev and Katya Vishilas will be dancing at Cannock and Tamworth

## Legion's ladies to hold quiz

THE ladies of section of Cannock British Legion is organising a number of fundraising events over the coming year – and they start with a quiz night on Thursday April 19.

Entry is £3.50 per person, to include a fish and chip supper. It takes place at the Ex-servicemen's club, Walsall Road, Cannock. Tickets are available from the club or on 0796372993.

Fundraising for the year will end with a masquerade ball on Friday, November 9.

Chairman Zaphne Stretton said: "We are keen to promote the work of the ladies section and attract new members. Since the closure of the British Legion premises people think that Cannock Legion doesn't exist – that is just not true."

Any ladies wishing to join can request an application form from 079637299.

## Thousands to train in life-saving techniques

**THOUSANDS** of people in Staffordshire will be trained in life-saving skills under a new project set to be launched by West Midlands Ambulance Service.

Ambulance bosses want to train 60,000 people in basic life-support skills and First Aid techniques over the next five years. The initiative will start in April.

The free, two-hour, courses are aimed at anyone aged 10 or older. They will cover topics including cardiopulmonary resuscitation, managing severe bleeding, unconsciousness, choking and chest pains.

Ambulance chiefs will roll out the course in conjunction with the British Heart Foundation with the help of trainers from community first responder groups.

**Project**

Staffordshire firefighters, Stoke City FC and other companies will also lend a helping hand in training staff.

Matt Heward, community response manager at West Midlands Ambulance Service, said the project would really help to save lives.

"West Midlands Ambulance Service believes it is extremely important to increase the public's under-

**by Richard Woodall**

standing of what they should do in a medical emergency," said Mr Heward.

"By holding these free courses and providing the public with the confidence and a better understanding of what they should do in a medical emergency really could help to save lives," he added.

The project will be officially launched with members of the public able to book onto a course when details are fully announced.

Families are also encouraged to come along and get trained up on sessions run by the service.

## Amazing Grace

**Grace Wyatt won six music awards at a music festival**

A HEDNESFORD teenager hit the right notes when she picked up six awards at a music festival.

Grace Wyatt, aged 18, won five singing accolades and one for playing the clarinet at the Newcastle-Under-Lyme Music Festival.

Grace, of Keys Close is a pupil at Arthur Terry School in Sutton Coldfield and attends the Royal Northern College of Music in Manchester. She said: "I was definitely surprised at winning the awards. I was not expecting that many."

Mum Maria, aged 53, said: "She has not entered a competition for years. She is going to have a gap year after A-levels and then apply for music conservatoire."

## Statue promotes Hoard

A NINE-foot sculpture of an Anglo-Saxon warrior is to be displayed to help promote the Staffordshire Hoard. The £25,000 statue of the Mercian warrior has been funded by Stoke-on-Trent City Council. Stoke-based artist Andy Edwards produced the imposing figure and it will be on display at the Potteries Museum and Art Gallery in Hanley from May 17 onwards. From July 2013 next year a new exhibition of the Hoard will also be featured at the venue.

# Prize-winning restaurant is giving back to the community

**T**O win – or even be shortlisted for a national award – is an achievement in itself. So imagine how proud Shohidul Islam must be.

While his Flames restaurant in Penkridge was picking up the award for Chef of the Year, Mr Islam was claiming the runner-up prize for the West Midlands region Caterer of the Year for Zeera in Bloxwich, another in his portfolio.

The accolade was just reward for the service and food at the Elmore Row restaurant, which is ideally placed within walking distance of the town centre. It's been more than five years since Mr Islam took over the restaurant and he has carved out a fine reputation – one that is not without foundation.

It has remained a popular venue with people from the town and surrounding areas, and my partner and I were treated to its offerings.

It is well laid out and with welcoming staff. The menu, as you would expect, is varied, but there was a lot to my liking. While I pored over what to try Sharon could not prise away from her usual butter chicken.

## Cheesecake

After poppodums to start, I opted for the march biran, salmon fillet cooked in onions, peppers, garlic, chillies and potato. With naan and rice there was a lot to get through, but not enough to prevent me finishing it off with a chocolate cheesecake.

Having had a taste of Zeera, it's plain to see why success was forthcoming. However, manager Maz Hoque is not resting on his laurels. "It just makes us strive to do better," he said.

The restaurant is also involved in helping out local sports clubs, with Bloxwich cricket club bearing Zeera's name and sponsorship talks under way with a junior football club. Said Mr Hoque: "It's all about giving something back to the community."

Zeera is open every day including Bank Holidays from 5.30pm with diners welcome to bring their own drinks. Order online at [www.zeera-eastern-cuisine.co.uk](http://www.zeera-eastern-cuisine.co.uk) or call 01922 408499.

# Living history in time travelling adventures

**THE WEST Midlands has a rich history which has left an legacy of impressive buildings and sites to explore.**

In Shropshire much of the heritage is drawn from the centuries of uneasy relations with their neighbours the Welsh. This legacy includes the remains of the **Roman city of Wroxeter** (some claim it became Arthur's Camelot after the Romans left) where a Roman villa has been recreated as part of a TV documentary. Nearby is the imposing **Attingham Hall**, where the picture gallery became the model for Buckingham Palace's gallery, and the romantic ruins of impressive **Ludlow Castle** and **Wenlock Priory**. The latter is in the village of Much Wenlock, where the modern Olympics originated and are being celebrated as part of London 2012.

Nearby Bridgnorth is the northern terminus of the **Severn Valley Railway** which steams along the beautiful valley via Bewdley to Kidderminster and includes the Engine House education centre at Highley.

In this area, **Buildwas Abbey** ruins and **Dudmas-**

**ton Hall** grounds make great picnic spots. Near Craven Arms are picturesque medieval manor house **Stokesay Castle**, the **Secret Hills Discovery Centre** with its replica Shropshire mammoth and **Acton Scott** historic working farm, where Victorian Farm was filmed.

**Ironbridge** is named after one of the marvels of the early industrial age, which spans the Severn, and the gorge is the birthplace of the Industrial Revolution that transformed the world. There are ten museums in the gorge, available via individual ticket or by a 12-month passport for all of them. The biggest is **Blists Hill Victorian Town**, which takes visitors back to the 19th Century.

Industry later moved to the Black Country and Birmingham where the **Black Country Living Museum** in Dudley gives visitors a taste of that sooty, chain-hammering, hard-working past. The **Back To Backs** in Birmingham city centre show how the workers lived, whilst the palatial ruins of **Witley Court**, near Stourport, hint at the opulence enjoyed by industrialists such as the Earl of Dudley.

The Manders made **Wightwick Manor**, Wolver-

hampton, into a celebration of the 19th Century arts and crafts movement. **Soho House** in Handsworth was the elegant home of Birmingham industrialist Matthew Boulton and nearby the **Museum of the Jewellery Quarter** in Hockley is a time capsule for one of the city's great trades.

Another city landmark, **Aston Hall**, played a role in one of the country's defining conflicts, the English Civil War, as did **Boscobel House** and **Moseley Old Hall**, both near Wolverhampton. The religious persecutions leading up to that 17th Century conflict are reflected in the 'priest hole' hideaways at **Harvington Hall**, near Kidderminster, and at moated **Badlesley Clinton**, near Solihull, both Elizabethan treasures.

Conflicts of a recent era are remembered at the **Royal Air Force Museum** at Cosford, an aviation fan's must-see attraction housed in three huge hangars at the air base. It has a fascinating Cold War exhibition too and is free admission, though you will need to pay for parking.

# Thrill seekers head for theme parks and zoos

FAMILIES looking to take a walk on the wild side, whether that's white-knuckle roller-coaster rides or getting close to big cats, have plenty of choice in the West Midlands.

West Midlands Safari and Leisure Park, between Kidderminster and Bewdley, has got both. The day out includes four-mile self-drive safari and 27-ride leisure park including Venom Tower Drop. A new attraction for 2012 is Penguin Cove, where visitors can watch the colony of Humboldt penguins explore their own beach or shower in their waterfall.

Dudley Zoological Gardens on Castle Hill, in the heart of the Black Country, has been transformed in recent years and in 2012 celebrates its 75th anniversary. Two new animal stars set to be a roaring success are Amur tiger Tschuna and Sumatran tiger Daseep. There's lots to discover in the 40-acre grounds of the historic (and supposedly haunted) ruined castle.

When it comes to castles, few are more impressive than Warwick Castle where The Castle Dungeon now hosts the vengeful Witches of Warwick. Merlin fans can experience The Dragon Tower and there are regular bird of prey displays and the trebuchet siege machine is put into action.

More than 50 rides and attractions ensure a busy day out at Alton Towers Resort. New for 2012 is Nemesis Sub-Terrar: a spin-off from the Nemesis attraction that takes the terror underground, and Ice Age The 4D Experience featuring characters from the hit animated movies.

### Adrenaline

Drayton Manor Theme Park, near Tamworth, is staging a number of Guinness World Record attempts to mark its 62nd year. This year also features a new 4D movie based on classic fantasy The Little Prince and live shows. For younger children there is Thomas Land, featuring the popular living loco and his friends, whilst thrill-seekers can head for the big coasters, including Ben 10 Ultimate Mission, adrenaline-pumping drop tower Apocalypse, stand-up coaster Shockwave, splashastic Stormforce 10 and the stomach-churning Maelstrom.

Hands-on, hi-tech displays can be visited at eye-catching West Bromwich town centre venue The Public, which is free admission, as is the equally iconic New Art Gallery in Walsall town centre. Both offer family craft events at weekends and during school holidays.

Cadbury World at Bournville was visited by more than half a million chocoholics last year. Learn all about chocolate, particularly Birmingham's famous brand, and taste it.

# Penkridge

IN 958 AD, Edgar, King of the Mercians, was recorded as calling a village near Cannock "that famous place of Penkridge". At that time the village stood on its present site, with a Saxon-style church on the site of the current church. When King Edgar was made monarch of England in 959 AD, he made Penkridge his capital. As well as the church, the village had a number of well-used roads converging on it and was used by travellers as a staging post. The name of a crossing place over the River Penk at Cuttlestone gave its name to the Cuttlestone Hundred – formed during the reign of Alfred the Great (870-901). Originally a ford, the bridge is now the means of crossing the river. Markets also paid an important part in village life, with the first charter being granted to Henry I in 1244. Penkridge then became known for its sale of horses. In 1522 it was described as "a small village famous for its horsefair". In the toll book records of 1597, a total of 436 horses are recorded as being sold at a single fair. The play area off Bellbrook is now called Horsefair. By the late 1600s the village had its own racecourse off Levedale Road. The Duke of Rutland put up the £1 sum on "staking the plate", and races were held there until 1834. The village was split in two in the 1930s with the opening of the new A449, while two prisoner-of-war camps were established in the village during the Second World War, at Primrose Park on Teddesley Road and at Teddesley Park. Nowadays, the market town has a population of more than 7,500 and is home the Penkridge Heritage Centre, which opened up at the site of the Grade II listed Old Gaol between Bellbrook and Market Place.

# Hednesford

IN around a month's time, a second monument to remember Hednesford's mining heritage will be unveiled. An 8ft Davy Lamp has already been erected in the town. On April 28, a commemorative wall featuring the names of miners inscribed into bricks – and their pit they worked at – will be dedicated.

Hednesford was an important coal mining community for more than a century and Mike Mellor, treasurer of Chaps (Chase Arts in Public Spaces), which is behind the project, said it would be a fitting tribute to the old colliery workers.

Today, it has a population of more than 16,000 people, but it is a town steeped in history. From 1914-18, two huge army training camps were built and more than 250,000 British and Commonwealth troops passed through destined for the Western Front. In 1938, a Royal Air Force Training camp was established. This became known as RAF Hednesford and is now the site of the Cannock Chase Visitor Centre at Marquis Drive. Further history of the town can be gained from the Museum of Cannock Chase, in Valley Road, a popular tourist attraction, while the picturesque Hednesford Hills and its Raceway still welcome thousands of visitors each year. The town is currently undergoing a massive regeneration project. The Hednesford Gateway scheme will have a Tesco supermarket at its heart with other retail outlets forming part of the redevelopment. Gala Bingo at the Lightworks shopping precinct already draw in customers from within the town and surrounding areas. The town is also the home of Hednesford Town FC, who put the area on the map with a run to the Fourth Round of the FA Cup back in 1997.

# Cheslyn Hay

Cheslyn Hay is a former mining village in south Staffordshire, between Cannock and Walsall. Station Street is the main street with some small shops. A major employer in the village is B.S. Eaton Ltd, a manufacturer of concrete products. The company operates a fleet of distinctive orange trucks. The former Wyrley and Cheslyn Hay railway station closed in 1965. A new station at Landywood opened in 1989, the station also serves the adjacent villages of Cheslyn Hay and Great Wyrley (The former Wyrley and Cheslyn Hay railway station closed in the 1960s). The LNRW also operated an earlier halt at Landywood which closed on 1 January 1916. Before World War II there was a cinema at the top of Rosemary Road, on the site much later occupied by Barts Motors. The housing stock has been grown significantly in each post war decade, with suburban expansion into surrounding fields. The old Primary School was situated on the site bounded by Hatherton Street, Pinfold Lane, Hill Street and High Street. It was constructed circa 1883 and demolished in the 1990s and the land used for new housing. An additional modern building on the opposite side of Pinfold Lane was used for school meals and gym. The village is now served by two primary schools. (Glenthorne primary school and Cheslyn Hay primary school) and by one secondary school Cheslyn Hay Sport and Community High School. The Hawkins family were a prominent family in the area in the 19th century. During the 19th century the area was know colloquially as the Wyrley Bank (in the local dialect Wyrley Bonk).

### PERSPECTIVES: LENNY HENRY - FINDING SHAKESPEARE

ITV1, 10.15pm

In 2009 Lenny Henry made his debut as Othello at the West Yorkshire Playhouse; Henry's performance was hugely praised, and the production transferred to the West End. More recently he's starred in the National Theatre's acclaimed take on The Comedy of Errors. Not bad going for a guy who once claimed he had a deep-seated aversion to Shakespeare, especially his "gobble-de-gook" language. Now Henry wants the rest of us to embrace the Bard, just as he's done, and he makes a start by hosting this documentary.

## GARDENING

# It's food for thought at this growing show

As people ask more questions about the sources and quality of their food as well as looking to save on their shopping bills and improve their diets, **DANNY FAR-RAGHER** looks at a show which is tapping into this movement to get back to nature

**PEOPLE** from all over the Midlands eager to learn more about growing, making and preserving their own food found a utopia at The Edible Garden Show's latest offering.

It brought together the practical and the fun of being the master of your own cabbage patch.

Whether you wanted to find out more about growing your own fruit and vegetables, baking your own bread or producing your own honey there was something for every taste at the show in Stoneleigh Park, Warwickshire.

It's only the second year this homage to the "Good Life" has been running but already the visitor numbers have grown from just over 10,000 in its inaugural year to more than 13,000 over the weekend of March 16-18.

## Slice

The show is well on its way to establishing itself as a premier agricultural show, but with the exception of concentrating on the little people who want to have more control over where their food comes from and over the quality.

Show director Bev Channell said: "This is only our second show but clearly the gardening world has become engaged with The Edible Garden Show and we have now established ourselves as

TV chef John Burton Race shows how to make best use of the produce

a must-see event for all those people looking for a slice of the Good Life."

The national show, which has now expanded its base over two halls, has already pulled in some

big names and sponsors who are committed to the ideals of growing your own food.

These include TV chefs John Burton Race and Rachel Green, who gave cooking demonstrations in the cookery theatre and authors and broadcasters Pippa Greenwood, of Radio 4's Gardeners Question Time and Paul Peacock.

The range of more than 170 exhibitors covered everything from growing your own fruit and veg, to brewing your own beer which is enjoying something of a renaissance.

You could see making and taking part in baking your own bread, keeping bees to produce your own honey and looking after livestock such as hens to provide fresh meat and eggs.

John Burton Race said: "I think this show is absolutely fantastic."

"It really is fun, they're a great crowd here and it is very, very busy."

## Skills

"It's good synergy for me because most of the customers grow their own; they've got little allotments and smallholdings and raise their own livestock."

"What I'm trying to do at the show is some dishes with ingredients that they possibly grow and give some ideas."

"The feedback has been wonderful." Although there is a serious side to The Edible Garden show is it a family event with a massive amount of free parking.

Along with the exhibitors there are craftsmen and women showing the traditional skills.

There were activities for the children to get involved with such as making candles from beeswax, live animals they can get close to and pet and a tidal wave of information about being more self-sufficient.

The three-day spectacular will return to Stoneleigh Park next year from March 15-March 17. For more information visit: www.theediblegardenshow.co.uk

The Estate & Letting Agent Awards, better known as the ESTAS, have announced their shortlist for 2012.

The ESTAS determines the best estate and lettings agents in the country through research carried out amongst customers who are asked a series of questions about the service they have received from their agent. A record 33,000 questionnaires were completed by customers during the competition.

Agents have been shortlisted in 17 regions across the country. The regional and national winners will be announced by Phil Spencer, the TV Property expert at the 9th annual ESTAS ceremony at the Hilton Park Lane on 20th April. Phil says "I think it says a great deal about company who's prepared to stand up and announce to customers and competitors that they believe in providing the best possible service and they're happy to prove it. These awards help agencies to focus on customer service levels and that's why so many sign up each year".

"The ESTAS competition is about recognising the hard work agents put in every day, week and month of the year" says Simon Brown who runs the national scheme. "So to be shortlisted is a great accolade for any agent".

Jason Dibble, Owner of Chase Independent said "Fantastic news for Chase Independent!!!! This is the second year we have entered the awards and are thrilled to be short listed yet again. We would like to say a big thankyou to all our clients for taking the time to show their support by voting. Thus clearly demonstrating that our customer service levels are outstanding, but above all 'personal'. We make it our business to provide an excellent, first class personal service to all.

Alex Chesterman, Founder & CEO of Zoopla.co.uk "We are really excited to support and be part of this key industry event. Our business objectives are precisely aligned with those of the ESTAS, which are to help agents across the UK maximise their efficiency. The ESTAS focus on providing valuable customer feedback and we focus on providing valuable marketing services, both with a view to ensuring that agents win more business."

The Awards are organised by Awards for Business Ltd.

Flint & Co continues to show **good progress** despite what have been difficult market conditions.

Flint owner **Lesley Nzomo** said "...things seem to be slowly improving with the public showing more optimism for the coming year and generally there is an indication of a re-newed enthusiasm towards moving house..."

The Cannock based estate agent has seen a steady growth of custom & this seems to relate to their **focus on customer service** which has certainly been well received by their landlords, tenants & sellers and this has been reflected by the many testimonials they have received.

Rob Fee of Cannock "Flint & Co found me a tenants for my 2 bedroom flat within a few days of marketing the property... Excellent service from start to finish..."

"Lesley at Flint & Co was wonderful... it was nice to deal with someone who was so genuine & who we can both trust..." Teresa Gosling of Hednesford

Lesley went on to say...  
"...the combination of good old fashioned **friendly** customer service with todays **technology** has been something that our customers have warmed to..."

The Flint & Co website also continues to show a **refreshing image** for an estate agency that is going places.

# Nissan engine to provide power for the DeltaWing

GETTING involved in motorsport is a sure-fire way of boosting the profile of your production car range - which is why all the premium players have a finger in some sort of racing or rallying pie.

The trouble is, motorsport is a very expensive business, and blasting out fastest laps doesn't really chime with the greener approach to motoring that most manufacturers want to promote.

This week, however, Nissan announced its partnership in the DeltaWing concept, an experimental race car that will be taking part in the Le Mans 24 Hours this year.

Strictly speaking, the DeltaWing won't be competing - it is not eligible for outright honours - but instead has been awarded a place by the Automobile Club de l'Ouest (ACO), the organisers of the legendary race.

It will run out of Garage 56, a spot reserved for experimental cars.

Nissan's major involvement is providing the motive power; its 1.6-litre direct-injection turbocharged engine, already seen in the Juke road car, will power the DeltaWing.

Tuned to 300bhp, it will still be providing half as much power as the front-runners, but crucially use half as much fuel.

Yet the advanced delta-wing aerodynamics (seen on planes such as Concorde and the Vulcan) promises outright lap times that will be on par with the LMP2 runners.

Paul Willcox, senior vice president, Nissan in Europe, says: "Nissan is a very innovative, forward-thinking company prepared to take a risk or two."

"And exactly the same applies to Nissan DeltaWing. Our involvement in the project shows the boldness of Nissan from an engineering and innovation mindset."

The only shame is that the DeltaWing has to run under the banner of an experiment. It would be even more exciting if it were allowed to compete on level terms and secured an impressive finish, all the while using less fuel, fewer tyres and making fewer pit stops. That really would be an example of racing improving the road car.

The hi-tech end of motorsport is highly expensive

Gridlock – stay alert to dangers and traffic congestion up ahead when using the motorway system

# Staying safe on our motorway network

**M**OTORWAYS are busy places. They carry one fifth of all our traffic but are less than one per cent of the total length of all the UK's roads. They are also our safest roads, and following these tips will keep you safer still.

Always think about what's around you. Check your mirrors regularly, as well as before you make a manoeuvre. On busy motorways, you need to create as much room around your car as possible, and always plan a way out of any difficulty.

For example, if somebody pulls sharply into the lane in front of you, would you have room behind you to brake harshly, or could you move into the outside lane?

If you have too little space, increase the gap between yourself and the car in front. Actively reminding yourself to check your mirrors every so often also helps you keep focussed on your driving.

## Intentions

A hazard is anything that forces you to think about changing your speed or direction. When you decide to change lane, similarly you create a hazard to the other drivers around you.

Signal your intentions early, especially if you have somebody following close behind. When you change lane on the motorway other drivers will often give you room to pull

out – but never force your way out, even when traffic is busy.

Always keep at least a two second gap between yourself and the vehicle in front.

I recommend doubling this to compensate for all of the other drivers who aren't sticking to the rule. However careful you are, it is easy to unintentionally reduce your following distance when you change lanes, so if you pull out and are too close, gradually back off the car in front until you are back to your two seconds. When changing lanes you also need to look out for other drivers that might be aiming to pull into the same space as you from another lane, or from behind you.

In heavy traffic you can keep moving for longer by keeping an eye on the vehicle three or four up the queue, as opposed to just the one in front.

This saves fuel and frustration. If brake lights go on up ahead, you know the traffic will come to a halt, so back off until the traffic moves on again.

When overtaking, move out, pass the vehicle(s), and move back in as soon as it's safe. If other people want to go faster you will only cause frustration by sticking in the outside lane.

## thechronicle REVIEWS

## Passion and lots of mud

Wuthering Heights (15)

DIRECTOR Andrea Arnold previously made urban dramas and her radical version of Emily Brontë's novel, out on DVD, strips it of romance and splatters it in mud.

Heathcliff is no longer a dark-skinned gypsy but an escaped slave brought to the Yorkshire moors to work and take beatings. When angered he uses expletives not found in the original text. His only consolation is adopted sister Cathy.

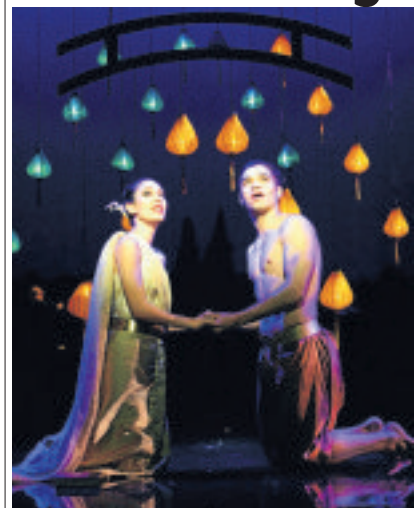

The two roam the bleak landscape like feral children. She even licks his wounds.

The pair are played by different actors as children and adults. The descent into madness of elder Heathcliff, played by James Howson, is harrowing.

With minimal dialogue, this is the Heights of brooding, violent passions.

Leon Burakowski

## Musical begins to show its age

Claire-Marie Hall and Adrian Li Donni in the King & I

### The King and I, Wolver-

### hampton Grand

CREATED by Rodgers and Hammerstein 60 years ago, and set in Siam (now Thailand) 100 years earlier, The King And I is a musical that is showing its age.

The new touring revival does a decent job of blowing dust off the museum piece.

This is a good-natured production which has the cute factor of an army of 'royal children' and opulent sets featuring giant golden Buddhas which contrast with sliding black screens. There is also a delightful team of Thai dancers who, ironically, are mostly Japanese performers.

As the King, former This Life actor and EastEnders Ramon Tikaram is more of an actor than a singer but Josefina Gabrielle as Welsh governess Anna Leonowens has a powerful classic 'musical' voice.

At an epic length of nearly three hours and with choreographed set-pieces, including an exotic Thai ballet within the show, this revival delivers spectacle but lacks heart. The show's last performance at the Grand is on Saturday (March 31) before it moves to the Hippodrome from April 30 to May 5.

Leon Burakowski

## Anne has last word

Anne Boleyn,  
New Alexandra Theatre,  
Birmingham

KING Henry VIII's second wife and the first to face the chop has usually been portrayed as a schemer or a pawn. In Howard Brenton's play she emerges as a strong and confident woman who played a key role in creating the Anglican Church.

The playwright has taken the old liberty with historical fact but that's forgivable when a play is this intelligent and amusing.

In director John Dove's witty, vigorous and handsomely dressed production, Jo Herbert brings dignity to Anne, fending off the advances of a randy monarch while trying to educate him about Protestantism.

Anne's story is blended with that of King James I, successor to her daughter Elizabeth I and captivately played by James Garnon. He forges a psychic link with Anne as he attempts to knock religious heads together in his new kingdom.

## TIPS OF THE WEEK

In these days of rising energy bills you may consider renewable technologies to save you money but before you invest in any renewable technologies you should always make sure your home is thoroughly insulated in order to make the maximum savings. Take advice from a local builder and The Federation of Master Builders. When starting a building project always use a contract which should include details such as start and completion dates, costs and payment plan. You can download a free contract from the Federation of Master Builders (FMB), the largest trade association in the UK construction industry, <http://www.fmb.org.uk/find-a-builder/free-contracts/>.

Protect your investment in your home by getting building work covered by an insurance-backed warranty, such as those offered by Build Assure. Build Assure offer a wide range of insurance products to suit your individual requirements and building project. Visit [www.fmbuildassure.co.uk](http://www.fmbuildassure.co.uk) to find out more.

## Start of fly fishing season is a cracker

THE new fly fishing season at Blithfield Reservoir has got off to a cracking start with more than 1,500 trout caught during opening week.

The largest, a superb 7lb rainbow, was taken on a black & green nymph, writes **Vernon Leadbetter of Archline Angling**.

Day tickets (eight hours) are available at £23, to include five fish that can be killed, and half-day ones for £12 (four hours) to include three fish that can be killed.

Blackfords AC Calf Heath Reservoir has been producing some nice bags of quality roach. Carp have been a little slow to respond to the recent improvement in temperature.

James Massey did have a nice heavily-scaled mirror carp in an 11-fish haul.

The Turf Pool has been fishing well with a few carp to just over 20lb being caught.

The club are asking members using spinners to fish Leacroft Pool for pike to be careful when casting and respectful of other anglers fishing the pool.

Archline fly casting lessons begin again on April 14; anyone interested in having tuition should contact us on 01543 426158 to book a time slot. The cost is £20 per lesson.

Blackfords season tickets will be available just before their new season starts on May 1.

Let us know how your local fishery is fishing or get them to contact us if they would like a mention.

Call 01543 426158, visit the store at Unit 1, Brindley Business Park, Chaseside Drive, Cannock WS11 7GD or email info@archlineangling.co.uk

## Valiant efforts fail to halt race for line

## Stoke-on-Trent 46 Burntwood 0

BURNTWOOD were unable to halt Stoke's march to rugby's Midlands Two West North title.

The hosts continued their unbeaten run to secure the league title with four games to go.

They scored 17 points in the last seven minutes to produce a scoreline which was harsh on Burntwood, who had won their fair share of possession and had tried to take the game to their higher-ranked opponents.

The opening 15 minutes were promising for Graham Shelley's men. They retained possession well to make limited progress into

the home half, despite conceding a straightforward penalty goal in front of the posts after eight minutes.

Stoke played a conservative game, kicking for position rather than using their potent back division – and it paid dividends on 17 minutes.

A penalty kick to the corner led to a catch and drive over the line for a try which was converted from wide out.

Six minutes later Stoke staged a repeat with another try in the

same corner and a second touchline conversion.

Burntwood finally got into the home 22 after 36 minutes but the position was lost due to a crooked line-out throw.

The loose ball was fly-hacked downfield to give Stoke a five-metre scrum which they controlled well for a pushover try and a 22-point lead at the break.

The hosts got their backs going for the first time early in the second period but now it was Matt Wood who was turning them back

with some long-range line kicking.

Burntwood's best attack followed pressure on a Stoke scrum. Quick passing by skipper Shelley, Hal Gzokucuk and Craig Prosser provided winger Luke Briggs with the ball but he was forced into touch.

A combination of scrambling defence and some wayward passing by Stoke kept the scoreline unchanged past the hour mark, but then they cut loose with an excellent long-range try.

The right-winger fielded a kick and counter-attacked. Two passes infield and the home scrum-half

was away to the posts for a seven-pointer.

With 10 minutes left, Burntwood mounted a promising attack with Lloyd Shelley and Wood both darting for the posts but the sustained move ended in an infringement which allowed Stoke to clear.

In the last minute of normal time the home backs combined well for a length-of-the-field converted try. Four minutes later, the forwards completed a hat-trick of lineout catch and drive tries and then the last piece of action saw a prop forward fend off two tacklers for a try down the touchline.

## Tries feast as young team keep on scoring

## Burntwood 80 Wolverhampton 12

A VERY young Burntwood thirds side turned it on against a spirited Wolverhampton team.

In near perfect playing conditions at the Sportsway, Burntwood again banked on their youngsters – and they certainly did not disappoint.

An early try by Nick Peplow started the scoring and from that moment the scoreboard just kept ticking over all afternoon.

Further tries by Joe Cowling (2), Rob Jones (2), Josh Canning, Luke Rookyard, Brad Holmes, Anthony Morgan, Dave Ward, Sam Corbett and James Langford came at regular intervals, mostly due to good support play throughout the side.

Nigel Smith converted 10 of the 12 tries.

Referee Andy Macey's management of the game allowed play to flow throughout.

Wolverhampton competed from start to finish and never threw in the towel, despite the big score racked up against them.

## Lead given up twice in high-scorer

## Lichfield Diamonds 5 Wyrley Pumas 14 3

WYRLEY led twice but were unable to hold on.

They scored from the penalty spot, but Lichfield equalised when Katie Clarke won the ball to prompt a passing movement which ended with a left-foot shot from Thea Cummings.

Wyrley regained the lead, but Jodi Whorton-Eales levelled from distance in the second half and went ahead through Steph Speck.

Speck also converted a penalty and although Wyrley reduced the arrears, Cummings rounded it off.

## Chasetown Girls U13 0 Lichfield Diamonds 2

On a large pitch, Chasetown were unable to stop Lichfield claiming the league title with two games still to play.

Danni Oxley opened the scoring in the second half, collecting a long clearance from the keeper and netting from distance.

Another long kick from the keeper brought the second, Nicole Ward putting in a half-volley.

## Win over rivals keeps hosts in chasing pack

LOCAL pride and a shot at promotion were at stake as Cannock scored a strong victory over Rugeley.

The home side are still in the running for second place in the league with promotion becoming more of a possibility. With other results going in their favour this weekend it could be argued that they are in prime position.

Cannock opened the scoring after the Rugeley pack proved too eager to drive at the scrum. Alert scrum-half Bobby Ball moved the ball quickly and swift hands from the centre pairing of Bryan Yates and Scott Pedley put Will Jukes in at the corner.

Craig MacDougall converted sweetly from the touchline for 7-0.

Good work at the break-down to secure quick ball meant Craig MacDougall was in the driving seat at fly-half, mixing clever kicks with good distribution.

The second try came from a penalty; Jon Freeman spotted defenders slow to retreat and tapped the penalty to drive into the heart of the defence only to be held up. Good support allowed quick ball for the oncoming Dave Gunter to cross.

## Handling

Rugeley tried to relieve the pressure but whenever they kicked long the ball seemed to be returned with interest by either Nick Platek or Craig Ratcliffe.

It was from such a situation that the third try was created as smooth handling left Ratcliffe to power through an attempted tackle and then round the full-back to score for 19-0.

Scott Lathe spilled the ball with the line at his mercy but stand-in hooker Ryan Palij then stole Rugeley's scrum ball, leaving Freeman to pick up

## Cannock 41 Rugeley 0

and drive over the line, carrying two players with him, for a converted try.

The half ended with a try from lock Sonny Stanaway. Centre Yates drew the tacklers and then offloaded for Stanaway to muscle past the full-back and score to make it 31-0 by half-time.

The second half was a bitty affair, but solid defence kept Cannock's line intact even when Gunter was sin-binned.

With injuries and a sin bin costing Cannock their primary lineout lifters, Stanaway found it difficult to provide secure ball.

But the introduction of Craig Richards helped cover the loss of Gunter in the scrum as well as shoring up the lineout.

Rugeley had a half-chance as their outside centre broke the line only to be chased down by the covering Simon Scott.

Eventually Cannock settled into the half and Yate was denied a try for being held up.

The centre made sure two minutes later, pinballing

through several tacklers to score in the corner for 36-0.

The loss of Palij to a dislocated shoulder was covered by the introduction of player-coach Paul Buckley. A solid set-piece provided Cannock with a driving five-metre scrum which saw Freeman pick up and cross only to be ruled held up.

At the reset Ball fired a wide, low pass which MacDougall gathered and popped up for Platek to go untouched under the posts. The drop goal conversion was missed to finish the scoring at 41-0.

Man of the match was awarded to Scott Pedley.

Cannock were training last night, looking to push on from this victory and chase down second spot in the league.

The club is always looking for players and regularly fields three teams so there is a game on Saturday to suit most players.

Junior training is continuing to grow on Saturday mornings and any young players interested should arrive at 10.15am.

## Dream of promotion alive after comeback

### Burntwood Dragons U13 2 Chase Athletic U13 5

CHASE are a point away from promotion and a win away from the Third Division title after coming from behind in a five-star show. After going in front, Chase found themselves 2-1 down, but went on to dominate and run out easy winners. Harry Ward scored twice, with Mason Foster, Jamie Campbell and Brad Rogers all on target.

### Burntwood Dragons U12 Reds 2 Chasetown Juniors U12 0

An entertaining game in which the Reds started well and took the lead when Arron Beale headed home from a corner.

The second goal followed a similar pattern. Beale this time forcing the ball in from a corner for his second goal. Rugeley Rangers U15 Girls 7 Uttroter 2

Paige Jackson grabbed five goals – the first player to achieve the feat for the team.

They were three up at half-time with goals from Chelsea Stevens and a brace from Jackson. Stevens went on to score in the second half from the penalty spot.

## Downes at double in stalemate

### Chasetown Reserves 2 Boldmere St Michaels 2

MIDFIELDER Greg Downes scored a first-half brace as the Scholars Reserves were held to a 2-2 draw against Boldmere St Michaels on their penultimate league game of the season.

Downes emulated the double he bagged at the Trevor Brown Memorial Ground when the sides met in October.

On eight minutes Chad Degville scooted down the right flank, crossed into a crowded goalmouth and the Aussie emerged first from the mêlée to bang the ball home.

The Mikes levelled through a Courtney Sow own goal, but the same player made amends after 41 minutes. He jumped highest and headed Matthew Wood's delivery back across goal for Downes to claim his second goal from the edge of the six-yard box.

Leon Weller scored the equaliser.

### Bill Davis Cup

White Hart beat Jolly Collier 3-1 in the quarter-final with a double from Gary Langdon and a goal from Adam Green.

### Cannock Charity Cup

Celtic Barns 4-1 with goals from a Yo Yo McParlane (2), Andy Ticklebank and James Wooley.

## Defeat hits hopes for promotion

### Chorley 5 Hednesford 1

HEDNESFORD Town's Evo-Stik Northern Premier League promotion hopes suffered a hammering at Chorley.

The home team scored quickly when a through ball beat the defence and Steve Foster finished well beyond goalkeeper Dan Crane.

Matt Walwyn skipped through and slotted the ball in to double the advantage.

A Chorley header was cleared off the line before Ciaran Kilheaney headed in on 40 minutes and Chris Denham smashed in a rebound five minutes later to put the game out of sight.

Hednesford played the second half with renewed purpose and a shot by Chris Clements found the corner on 56 minutes. But a break-away goal by John Cunliffe put the game to bed.

match, against Lichfield A. But they quickly gelled and began to show great team spirit, winning 1-0 with the goal scored by Rachel Chana.

With the pressure lifted, Cannock went into their game against Lichfield B with more confidence. The goals flowed and the game finished 4-0 with two from Chana and strikes from Rianne Martin and Lilly Walker.

The final match brought a flood of scoring as Cannock beat Wolverhampton 7-0 to secure the title. April Waterman scored twice with Chana, Martin, Walker, Faye Manley and Jenna Martin adding one each. Keeper Hayley Sutton kept three clean sheets.

The girls now qualify for the regional finals. ■ Two goals from Alex Kingston and single strikes by Jordan Joiner and Jamie Greenwood gave Cannock Badgers a 4-0 win over Leek.

**Cannock 6 Harborne 1**  
CANNOCK fourths, needing a win in their final game to take the title, seized the crown in style.

A young side played some quality hockey with Callum Stacey and Callum Swinnerton-Ions chasing down the ball at the front to put on early pressure. Matt Jarocki and Josh Ward replaced them, built on their early work and scored a goal apiece before the interval. Harborne had their

moments, but Callum McGarrie and Jordan Bosi cleaned up any threat.

Lawrence Perry and Dan Hoare provided outlets from defence and were able to make attacking moves down the flanks, while keeper James Macpherson blocked any short corner threat. Cannock came out for the second half with all guns blazing and soon added to their score through a fine baseline dribble and flick in from Ward for his second. Their fourth was

a powerful drive into the roof of the net by Jeevan Dhandra.

Then Jarocki collected the ball in front of the Harborne keeper, spun and flicked it in on the reverse for the fifth goal. Perry stepped up to drag-flick a short corner into the roof of the net for the final goal.

The result gave Cannock the three points they needed to secure the league title by a point from rivals Edgbaston.

## First win of the year is still sought by Scholars

### Chasetown 1 Buxton 3

CHASETOWN are still searching for that elusive first win of 2012 after Buxton claimed the Evo-Stik Northern Premier points.

Buxton had the better of the play and Kieran Lugsden had their first chance in the second minute when he fired over the bar, writes Dave Goddard.

Skipper Steve Instead went closer 11 minutes later when he smashed a shot against the bar after Courtney Pitt had repelled the Bucks' attack from Peter Davidson at the expense of a corner.

Chasetown did not threaten until the 17th minute when Dean Perrow forced a corner which was easily cleared, while on 25 minutes some decent play from Jack Farmer and former England man Lee Hendrie set up Pitt, whose shot was collected by Bucks keeper Scott Hartley.

Three minutes later the visitors took the lead when a free-kick from Steve Ridley bounced back off the upright and Instead headed it in.

Five minutes into the second half the Scholars levelled when Pitt slotted home a 30-yard free-kick after a handball for his first Chasetown goal.

### Positive

The hosts looked more positive and the score remained level until the 74th minute when Marc Roberts rose above the Scholars defence to head home a corner and put the Bucks back in front. But the home side fought back and saw two corners cleared off the line in quick succession.

With three minutes to go, however, Buxton put the lid on it when Bradley Barraclough raced clear of home skipper Richard Teesdale and fired beyond the diving Lee Evans into the corner of the net.

Chasetown's Danny Smith was shown the red card for a second bookable offence, while Buxton's Scott Maxfield was also given his marching orders for kicking out at Danny Quinn. But Buxton's win was already assured and Chasetown slipped into the relegation slots.

The Scholars now look towards next Saturday and a trip to Kendal Town (3pm).

# LEAGUE PLAUDITS FOR PITMEN DUO

**HEDNESFORD duo Cheyenne Dunkley and Chris Clements have confirmed their status as the Pitmen's star players after picking up two divisional awards.**

The talented pair go into Saturday's visit of Nantwich to Keys Park basking in the glory of the Evo-Stik Northern Premier League's annual event. Defender Dunkley, who had a trial at Championship club Birmingham in January, picked up the Facebook Fans' Player of the Year award.

Midfielder Clements, the club's top scorer with 13 goals, took the league's Young Player of the Year award after a sterling season.

The 22-year-old and his team-mate, 20, have found a home at Keys Park after falling out of the professional game when released by Crewe in 2010.

They had previously enjoyed fruitful loan spells with the Pitmen.

And Hednesford manager Rob Smith has expressed his delight that the impact of his top two hasn't gone unnoticed by the league.

### Dumped

He said: "I was a proud man on Sunday to see two of our players in the Team of the Year and watch them collect two major awards.

"It shows what we have done has got recognition and the two lads thoroughly deserve it."

Smith's satisfaction replaced the anger of a damaging 5-1 defeat at Chorley last Saturday, which dumped the Pitmen out of the play-off places for the first time since September.

The Nantwich clash is followed by another home game against Kendal next Saturday and a potentially vital derby at Chasetown on Easter Monday.

Smith said: "With regards to the Chorley game, I

by Craig Birch

thought, in general play, it was even. The difference was clear for all to see, though, as Chorley were ruthless. We weren't and haven't been for a while now.

"In some ways the pressure is off us now, we know we have to win five out of our last six games.

"I can assure all of our supporters that we will give it our all and go all out to win."

The team's inconsistent form has done nothing to dampen the enthusiasm for events off the pitch.

Keys Park will be hosting two big events taking place in the next few weeks, starting with a casino night in the Chase Suite on Saturday.

Entrance is £10 and includes a buffet meal and £10,000 of game money for the evening. Dress code is smart casual.

Then, the first two weeks of April will see the return of Soccer Schools, run by the club's community co-ordinator Michael McMahon.

Prices are £40 a week or £10 a day. For more information, call 07881 458 827.

Casino tickets are available through the club on 01543 422 870.

## Home-ground bid for national glory begins

The Cannock under-16 squad face the camera as they prepare for the national championships this weekend

CANNOCK'S under-16 hockey squad make their bid for the national championships on home ground at the weekend.

Chase Park hosts the finals with Cannock drawn in Group A against Neston. Old Loughtonians and Wycombe.

Group winners go into the final

petition and also made it through to the national indoor finals in January.

Head coach Alex Hill and manager Andy Hoare took charge in January last year, guiding the team through to the third round of the under-16s cup.

Now they have their biggest challenge of the season.

## Six missing and then keeper is dismissed

### Heath Hayes 0

**Loughborough University 4**  
HAYES, already missing six first-team regulars, were dealt a further blow before the Midland Alliance kick-off with the non-arrival of keeper Scot Mullett, leaving striker Richard Hewitt to don the keeper's jersey.

The students were quickly into their stride, playing some fine passing football and repeatedly stretching the home defence.

Hayes' rearguard cracked on 20 minutes when Raul Alexis burst through to score.

Five minutes later stand-in keeper Hewitt was sent off after being adjudged to have bought down Will Rooke.

Ben Massey took over in goal but had no chance with Dan Nti's penalty.

Hayes battled on, but the visitors' superior fitness and one-man advantage proved too much.

Skipper Michael Emmerston - the game's best player - notched the third from 25 yards.

Danny Delderfield converted another penalty to round off the scoring for the students.
